

materials

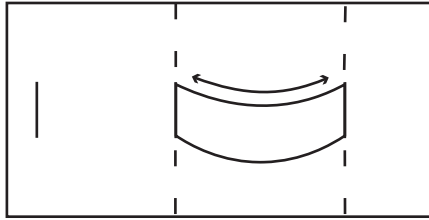

10 A4 sheets
A4 white cardboard
scissors and x-ato

step by step:

1. Print the texts on the sheets and the markings on the cardboard
2. Cut the cardboard in order to obtain the cover and the band

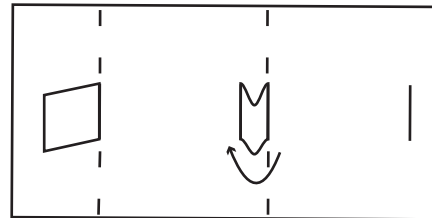

3. Create the cutouts and the folds
4. Put the band on the cover

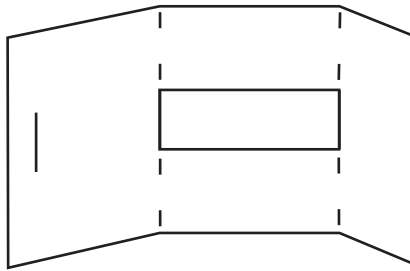

(Insert the band in the two cutouts in the middle of the folds)

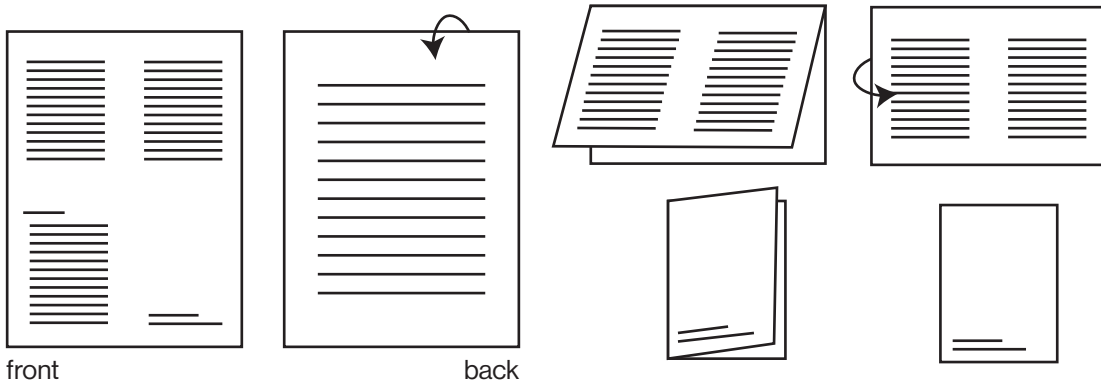

(Flip the object and insert the right flap into the folds)

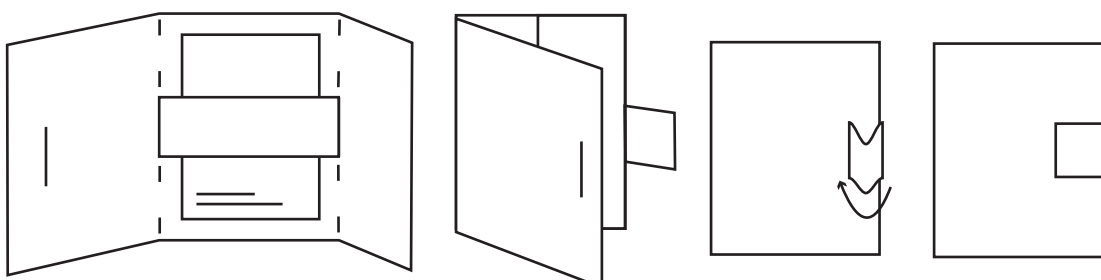

(Flip the object again and get this result)

5. Fold the sheets in 4

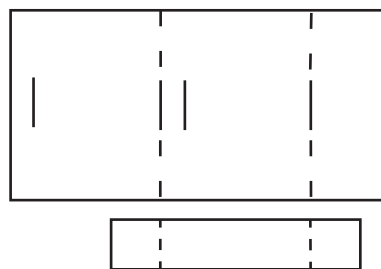

6. Place the sheets on the cover and close it

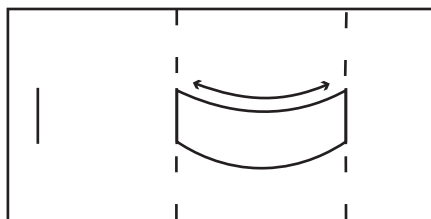

passo a passo:

1. Imprimir os textos nas folhas e as marcações na cartolina
2. Recortar a cartolina de forma a obter a capa e a fita

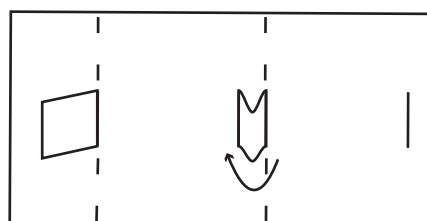

3. Criar os recortes e as dobragens
4. Colocar a fita na capa

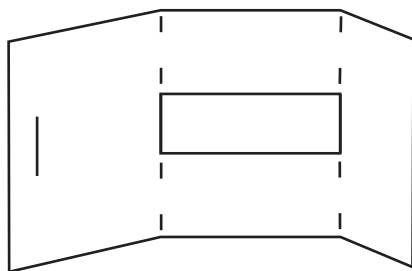

(Inserir a fita nos dois recortes a meio das dobragens)

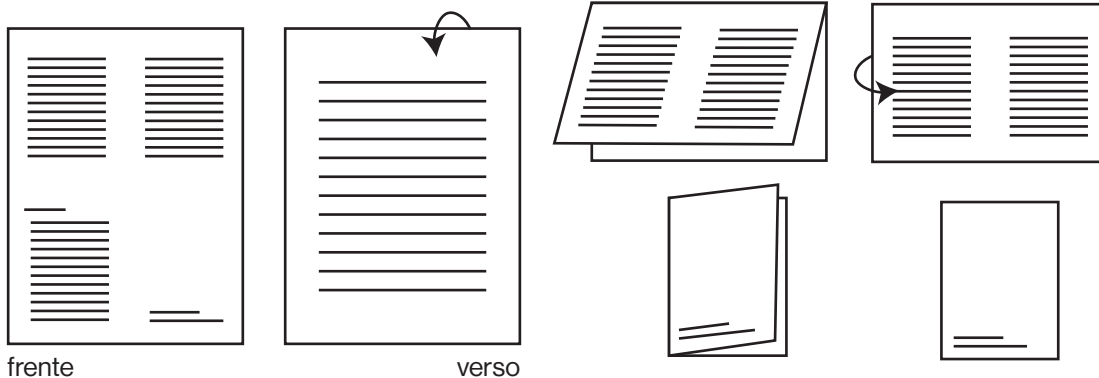

(Virar o objeto e inserir a aba direita no recorte)

(Virar novamente o objeto e obter este resultado)

5. Dobrar as folhas em 4

6. Colocar as folhas na capa e fechar
